ACKNOWLEDGEMENT/USE AGREEMENT

- I, a prospective or current member of USA Volleyball and/or one of its Regions, agree to abide by and be bound by the applicable Bylaws, rules, regulations, Code of Conduct, competition rules of USA Volleyball, as well as the safe sport rules, policies and procedures promulgated by the U.S. Center for SafeSport, as they may be amended from time to time. I agree to be subject to the jurisdiction of the U.S. Center for SafeSport and agree that any sanctions imposed by the Center extend to my participation in all USA Volleyball events or activities, or events and activities of other NGBs, and may be posted publicly and include information regarding the misconduct involved.
- I agree that I will abide by the rules and guidelines regarding club affiliation as established by the Regional Volleyball Association in which I am applying for membership.
- I hereby agree to be filmed, videotaped and photographed, and to have my name, image, picture, likeness, voice and biographical information otherwise recorded, in any media, during USA Volleyball (USAV) and/or its Regional Volleyball Association (RVA) sanctioned events, by USAV/RVA's authorized representative, under the conditions specified by the USAV/RVA (the "Footage").
- I hereby grant USAV/RVA, with no financial or other compensation due to me, full right and license to use, and to authorize third parties to use, in all media, the Footage for: (1) news and information purposes, (2) promotion of the specific competition(s) in which I compete, (3) promotion of the Sport, and (4) promotion of USAV/RVA, provided that, in no event may the USAV/RVA use or authorize the commercial use of the Footage in any manner that would imply my endorsement of any company, product, or service, without my written permission.
- The current FIVB Sports Regulations stipulate that the Federation that is the first to issue a national license for the player is considered to be the player's Federation of Origin regardless of the player's citizenship. The current FIVB interpretation of "issue a national license" means registering with the Federation (in our case, USA Volleyball). Therefore, please be advised that if you register with USA Volleyball, and subsequently desire to represent another country in international competition, you may be subject to the FIVB regulations regarding "Change of Federation of Origin" which includes the payment of significant fees to the FIVB and review and approval of such application by the FIVB.
- I hereby certify that the information provided is being done directly by myself or by me, as the legal guardian representing a minor, and that it is true and accurate to the best of my knowledge. Team Player/Parent Contract

- Players are required to be at all practices, tournaments and team meetings, unless excused by their head coach due to a unique situation. Athletes are expected to be prompt and wear proper attire which includes volleyball shoes, socks, appropriate athletic shorts, an athletic shirt with sleeves and in most cases ankle guards.
- If a schedule conflict arises between a DSVC event (practice, tournament, etc.) and a second club sport (I.E. Soccer, softball, dance, etc.), the athlete is expected to attend the DSVC event. This does not include conflicts between DSVC events and **High School** sports. We have and will continue to support High School athletic schedules and work with you and DSVC activities, though missed practices and tournaments will certainly have an affect on a player’s development and therefore their role on the team. National level teams are expected to make all DSVC activities priority over other athletic activities.
- Gym time is typically 2-3 days per week during the club season, players are expected to develop and maintain a high level of health and physical fitness **outside of practice time.**
- Athletes are expected to work as hard as possible during practices to attain the greatest skill improvement. Practices are vital and court time is valuable.
- Attitudes can influence others, we demand and expect a positive, constructive demeanor during practices, tournaments, and other club activities.
- Playing time will vary based on a player’s ability, participation, and willingness to support the team effort. Equal play for all athletes should not be expected. Team philosophy on this matter will vary based on age and competition level.
- A commitment to the full season is required to ensure that all players that have dedicated themselves to their team are able to successfully complete the season. Additionally, financial costs and obligations for each team are shared by all athletes on the team and the removal of a player affects the viability of that team. By signing this contract you accept your commitment to the full season’s full schedule and financial commitment.
- Your daughter has attained and will attain an amount of skill and proficiency to compete at the club level. Please do not have them miss practices or tournaments as a form of discipline. Others are depending on them, and some were not chosen for their team because of them. Please allow us to work with you through any disciplinary problems or academic overload your daughter may experience.
- Regarding Referee assignments...we try to encourage carpooling to tournaments as much as possible as we typically have at least a 90 minute drive and often a two hour drive to our playing sites on weekends. All teams are required to referee at least once per day, and sometimes that takes place AFTER your last match. Coaches will make sure that players share the responsibility as equally as possible but there is no perfect formula for this. To alleviate any hard feelings DSVC has a rule that NO players leave until the team’s referee responsibilities are completed. Referee assignments usually require a minimum of 6 players... two line judges, one score flipper, one libero tracker, a “down” referee and a “book” keeper who records the written score on the official score sheet. Please don’t ask your coach to leave early.
- Parent involvement with the club experience is extremely important as long as it is of a positive nature. DSVC has a zero tolerance for negative feedback from spectators during practice or tournament play. We understand family dynamics vary in how a player is motivated, however the coach’s feedback and direction is of the utmost importance. If a parent or family member has attained a certain level of expertise in the sport of volleyball we encourage them to speak to the Club Director about future involvement. Short of that there is to be no sideline coaching. Of course positive encouragement is always appropriate and can be shared beyond just the parent/guardian’s child.

In the arena of youth sports, it is all too easy to be critical and negative of a person trying to do their best: your daughter, her coach(es), and other players. This can be very damaging to your daughter, the team and our program, especially when done directly in front of the athletes. Many Individuals focus on the best interests of just one player; their own. Our coaches have the teams’ interest to consider as well as the individual. Please keep this thought in mind and feel free to communicate with the Club Director or your daughter’s coach, should the need arise. To respect our club policy, please only discuss with coaches after practices or 24 hours after tournaments, not before or during so that the coach may best prepare the team for the day’s plan.

DSVC LEVEL DESCRIPTIONS 2017-18 SEASON

Little DIGS / Non-Travel – November 6, 2017 – May 31, 2018

Little Digs is a starter program for our youngest participants who wish to get an early jump on the game of volleyball, or just want to experience a team sport in a super fun and enjoyable learning environment. Emphasis on proper technique as the foundation of learning to “play” is what it’s all about! Twice a week for 1 hour with no travel or tournament requirement.

ACADEMY / Non-Travel – November 6, 2017 - May 31, 2018 (November 20, 2017 - May 31, 2018 for grades 9-12)

Academy is designed for younger athletes who are just starting out in the sport, or for those multi-sport athletes who don’t want to miss out on high quality volleyball training while still participating in other sports. The Academy/Training groups will train twice a week but not participate in SCVA play. Academy players of all ages are trained by our experienced staff and may be offered an opportunity to participate at the full Club level during the season if available.

REGIONAL I – November 6, 2017 – June 17, 2018 (November 20, 2017 – June 17, 2018 for grades 9-12)

Regional I teams are designed for players just starting out in the club environment. Heavy emphasis on proper technique and a high level of repetitions will help prepare athletes for future success in middle school or high school athletics. Teams will play a less intensive tournament schedule (5 tournaments), however they will practice the full season twice a week. Playing time is as equitable as possible with an emphasis on skill and team development and an understanding of how to close out a game in competition.

REGIONAL II – November 6, 2017 – June 17, 2018 (November 20, 2017 – June 17, 2018 for grades 9-12)

Regional II teams will play a full SCVA league schedule (8 tournaments), and practice twice a week for the season. Tournaments average every 2-4 weeks (see Juniors Girls SCVA Schedule at www.scvavolleyball.org) and will typically take place in the LA/OC area. Regional teams are geared towards players planning on competing at the high school level or those who are honing their skills for future Elite/National training. Playing time is shared but not necessarily equal for all team members and practice reps are universal for all. Tournament participation will be geared towards team goals and success where athletes will all have an opportunity to contribute to that success based on their abilities and commitment to the team objectives.

ELITE – November 6, 2017 – June/July 2018 (November 20, 2017 – June/July 2018 for grades 9-12)

DSVC will offer Elite level teams at various age levels this season. A player selected for an Elite team will be REQUIRED to participate in six hours of practice per week and commit to the full SCVA season schedule AND a multi-day tournament. The Elite programs are Varsity prep level teams which are assembled to compete successfully at the highest level possible. Practice reps will be evenly distributed to all players and positions, however competition and tournament goals will be of a varsity or collegiate nature where closing out a game, match, or opponent will be top priority. Not all teams will attend the same travel tournaments. Teams are required to participate in a multi-day tournament based on qualifying process and anticipated season finish. Transportation, food and lodging for multi-day tournaments are not included in the fees.

NATIONAL – November 6, 2017 – June/July 2018 (November 20, 2017 – June/July 2018 for grades 9-12)

DSVC will offer National level teams at all appropriate age levels this season. A player selected for a National team will be REQUIRED to participate in six hours of practice per week and commit to the full SCVA season schedule as well as National Level events such as the Las Vegas Classic, SCVA Qualifier, AND a post-season multi-day tournament. The National programs are Varsity and collegiate prep level teams which are assembled to compete successfully at the highest level possible. Practice reps will be distributed equitably to all players and positions, however competition and tournament goals will be of a varsity or collegiate nature where closing out a game, match, or opponent will be top priority. Tournament expenses for the multi-day tournaments are included in the fees. Transportation, food and lodging are not included in the fees. Not all National teams will attend the same travel/post-season tournaments. Some teams may attend an alternative to the Junior National Qualifier tournament.
